COVER LETTER

Respected Sir/Madam,

I am Abhimanyu Sharma currently majoring in Computer Science and Engineering (CSE) at Galgotias College of Engineering and Technology, Greater Noida and currently, I am in 7th semester with excel in academics.

Looking forward to work as Software & Mobile Application Developer and to contribute efficiently my skills and abilities for the growth of the organization while enhancing my skills & knowledge.

I have worked on the different projects in Android, JAVA and on various subject related modules like Volley for GET and POST APIs, Database Management using Active Android, Optical Character Recognition and JSON response parsing, Sentiment Analyser, Speech Recognition, etc. My background and coursework have supplied me with many skills.

I want to be a part of your organization and work on various projects. I am confident that you will be pleased with the skills and my projects in the accompanying resume. Also, it would be great to be a part of your team. Thank you very much for your time and consideration.
